THE MINISTER OF YOUTH AFFAIRS AND SPORTS (SHRI MANI SHANKAR AIYAR): (a) Yes, Sir.

(b) and (c) As 'Sports' is a State subject in the constitution, the primary responsibility for the creation of sports infrastructure facilities throughout the country, including the rural areas, falls on State Governments. Till 31-3-2005, the Ministry was supplementing the efforts of the State Governments for the creation of sports facilities in various states by providing assistance under the Centrally sponsored Sports Infrastructure Schemes in accordance with the approved pattern subject to the receipt of viable proposals. With effect from 1.4.2005 however, the Sports Infrastructure Schemes were transferred to the State sector. Thus, fresh cases of Sports Infrastructure projects will have to be funded by State Governments out of their own resources. However, funds to the extent of committed liabilities will be provided for ongoing approved Sports Infrastructure projects during the remaining period of the X Plan. At present, there is no proposal to reintroduce the Scheme.
